DIRECT HITS IN UPSC PRELIMS 2025!

Trust is built not on big claims but on results. This year again, questions across Geography, History, Polity, Economy, Environment, S&T, IR & Current Affairs were directly covered in our classes, crash courses and revision programs.

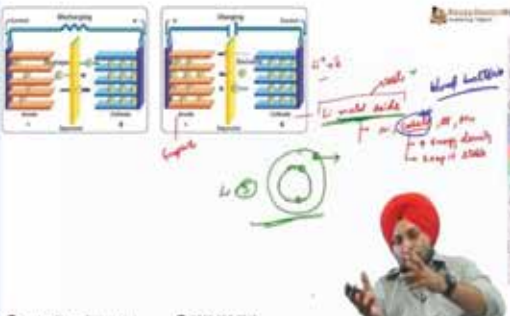

Our consistent efforts are paying off — more of our students are not just clearing Prelims but also marching confidently towards Mains and Interviews. Each success story adds to our growing list of achievers.

Questions	Correct Answer	Our Source		
46. Which of the following are the evidence of the transgression of southern part? I. The belt of ancient rocks from South coast matches with those from Western Africa. II. The gold deposits of Charni are derived from the South plateau where the two continents lay side by side. III. The Gondwana system of southern India is known to have its counterparts in the different basins of the Southern Hemisphere. Select the correct answer using the code given below. (a) I and II only (b) I and III only (c) I, II and III (d) II and III only	Solution: C PLACER DEPOSITS High place deposits of gold are found on the Charni coast of Western India. It is quite significant that the gold deposits of Charni are derived from the South plateau where the two continents lay side by side. PALEOCIMATE DATA - TILLITE DEPOSITS It is the sedimentary rock formed out of deposits of glaciers. The Gondwana system of southern India is known to have its counterparts in the different basins of the Southern Hemisphere. ROCKS OF SAME AGE & CHARACTERISTICS The Gondwana system, developed in the world's largest supercontinent, indicates the rock formation from different continents across the world. The belt of ancient rocks of 2000 million years from South coast matches with those from western Africa. The world's major deposits of gold are found in South America and Africa at the same time. It suggests that the world did not rise from that time.	Foundation , Prelims Crash , Rapid Revision	Who among the following rulers in ancient India had assumed the title 'Maharaja', 'Vishakhad' and 'Gandharva'? (a) Mahabharata I (b) Mahabharata II (c) Mahabharata III (d) Mahabharata IV Solution: A	Foundation Batch 2025 + Prelims Crash Course 2025 + Rapid Revision 2025
46. Consider the following statements : Statement I : The amount of dust particles in the atmosphere is more in biological and temperate areas than in arid and polar regions. Statement II : Subtropical and temperate areas have less dry winds. Which one of the following is correct in respect of the above statements? (a) Both Statement I and Statement II are correct and Statement II explains Statement I (b) Both Statement I and Statement II are correct but Statement II does not explain Statement I (c) Statement I is correct but Statement II is not correct (d) Statement I is not correct but Statement II is correct	Solution: C Statement I : The amount of dust particles in the atmosphere is more in biological and temperate areas than in arid and polar regions. Statement II : Subtropical and temperate areas have less dry winds. Which one of the following is correct in respect of the above statements? (a) Both Statement I and Statement II are correct and Statement II explains Statement I (b) Both Statement I and Statement II are correct but Statement II does not explain Statement I (c) Statement I is correct but Statement II is not correct (d) Statement I is not correct but Statement II is correct	Foundation , Prelims Crash , Rapid Revision	With reference to Unmanned Aerial Vehicles (UAVs), consider the following statements : I. UAVs can be used for vertical take-off and landing. II. All types of UAVs can be used for surveillance. III. All types of UAVs can be used for reconnaissance. How many of the statements given above are correct? (a) Only one (b) Only two (c) Only three (d) All the three Solution: D Common Keyword Traps UAVs can be used for vertical take-off and landing. All types of UAVs can be used for surveillance. All types of UAVs can be used for reconnaissance. How many of the statements given above are correct? (a) Only one (b) Only two (c) Only three (d) All the three	GS Foundation + Crash course

DIKSHITA JOSHI

AIR 58, UPSC 2022

I have followed all the lectures of Sleepy classes very religiously. It even helped me a lot during my revision phase. Shekhar sir has explained the things so nicely that even today i can explain them to anyone. This helped me a lot.

CSAT MASTERCLASS

Logical Reasoning and Analytical Ability.

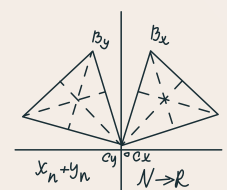

Decision Making and Problem Solving.

General Mental Ability.

Basic Numeracy (Numbers and their Relations, Orders of Magnitude, etc.) (Class X level).
Data Interpretation (charts, graphs, tables, data sufficiency etc. — Class X level).

$$\lim_{n \rightarrow \infty} \sqrt[n]{A} = 1$$

$$x: p$$

$$N \rightarrow R \quad n \geq n_0: (x_n - g) < \epsilon$$

$$\{x_n\} + \{y_n\} = \{x_n + y_n\}$$

$$\sqrt[n]{4^n + \cos 2n} \left(\frac{n^2 + n - 1}{n^2 - 2n + 3} \right)^5$$

$$n \geq n_0: (x_n)$$

$$N \rightarrow R \quad n \geq n_0: (x_n - g) < \epsilon$$

$$\sqrt[n]{4^n + \cos 2n} \left(\frac{n^2 + n - 1}{n^2 - 2n + 3} \right)^5$$

$$n \geq n_0: (x_n)$$

ANIRUDHA PANDEY AIR 64, UPSC 2022

There was conceptual clarity in sleepy classes's content. There were few things that I was not able to understand but after watching your videos i got full clarity on the topics. It was very helpful.

ADITI VARSHNEY

AIR 57, UPSC 2022

One day I was scrolling youtube where i came across one of the sociology videos. It helped me a lot in summarising my notes. Whenever I use to write answers on my own i use to make it random but sleepy classes's sociology videos helped me a lot in answer writing as well.
